

SMALL IN SIZE, BIG IN PERFORMANCE

The Astra 2 Single Arm LED task light is designed to provide high performance lighting in work environments where space is at a premium. Astra 2 features clustered, high output, high CRI LEDs that provide a crisp, white light with no shadowing effect.

The new touch button programmability enables the user to return to the same dimming level that the light was last used, double touch the control to move to maximum brightness instantaneously, or to program the light for auto shut off after 5 or 10 hours of use. When combined with our new Tool Bar/ Slatwall Mount, the Astra 2 Single Arm task light is the ultimate space saving solution.

Touch button design with auto shut-off programming and brightness memory.

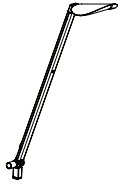

Available with four mounting/ base options including a space saving Tool Bar mount.

ASTRA 2 SINGLE ARM LED DESK LIGHT

Astra 2 Single Arm

Single Arm Luminaire

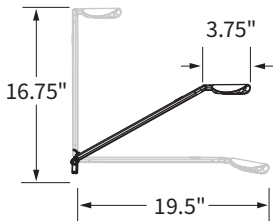

- Compact, space saving design
- Exceptional light color accuracy (94 CRI)
- Multiple mounting options
- Programmable auto shut-off
- Brightness memory (dimming to 5%)
- Secure mounting lock
- Occupancy sensor compatible
- Available in Silver & Charcoal
- ETL Certified/UL Listed
- Energy Star Compliant (luminaries v 1.2)
- 50,000+ hour LED life (L70 rating)
- 5 year fixture warranty
- Transformer included:
 - Type A, wall plug transformer with 6' cord
 - 12 W, 24 V, 0.5 A, Class 2
